Background Screening and Identity Verification

Life sciences organizations — pharma, biotech, and CROs — hire globally for high-trust roles where speed and compliance are critical. First Advantage's Life Sciences Center of Excellence (COE) offers fast and secure screening across borders, helping you to onboard top talent quickly and confidently to keep research and innovation moving forward.

Screen Globally, Hire Confidently

- **Global Screening**
Conduct background checks in 200+ countries with localized workflows.
- **Regulatory Checks**
Screen for FDA debarments, sanctions, and export control risks.
- **Intellectual Property Protection**
Safeguard sensitive work through integrity checks, media reviews, and social screening.
- **Digital Credentialing**
Verify blockchain-based credentials and identity wallets for smarter hiring.

Why First Advantage?

We help life sciences firms hire top talent quickly with support to stay in compliance and protect intellectual property.

- Trusted by Top 50 pharma and biotech firms
- Secure, global infrastructure
- Expertise in scientific and regulatory hiring

Delivering Real Outcomes for Life Sciences¹

- 90%** of U.S. criminal screens close on Day 1
- 500%** growth in identity-first customer adoption since 2022
- 90%** of education verifications completed by Day 3
- 24,000** drug test sites across the U.S.

"We went from a patchwork of vendors to a single, Service Level Agreement-driven process. Now our average background check in APAC completes in 2 to 3 days instead of 2 to 3 weeks."

– Head of Talent Acquisition, Global Biotech Company
