

# Fingerprint Technician Training

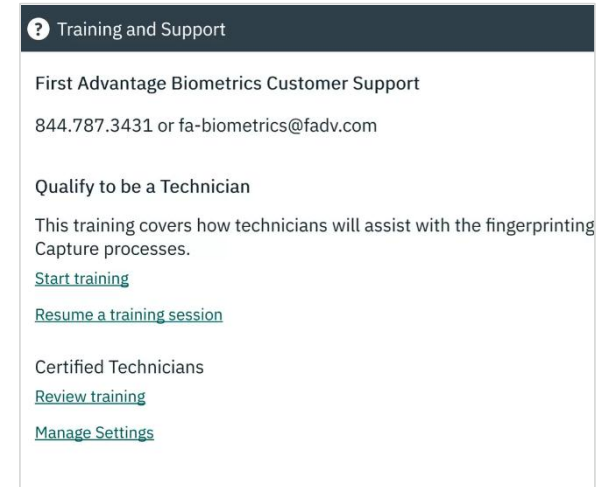

## You will learn how to:

1. Keep the First Advantage Biometrics kiosk clean and in working order.
2. Verify the identity of a customer and keep that information safe.
3. Capture the best possible fingerprints from a customer so the prints are less likely to be rejected.
4. Become a First Advantage Biometrics Fingerprint Technician.
5. Access training anytime to refresh your knowledge.

## How to access training:

Tap the **?** in the lower left corner of the First Advantage Biometrics Network kiosk home screen to begin.

Tap **Start Training** to begin or **Review Training** to review any topic.
